### EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on December 9, 2004, Mr. Robert Kestenbaum requested an extension of time for 2 MONTHS and authorized the Director to charge applicant's attorneys credit card account (as specified on PTO-2038 filed December 9, 2004) the required fee of \$430.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Drawings

2. The proposed drawing corrections filed on April 29, 2002 and December 9, 2002 have been **approved**. In order to avoid abandonment, replacement drawings that include the approved drawing changes described above must be submitted.

Remarks

3. The above changes were agreed upon to further clarify the claimed invention with respect to 35 USC 112 and to correct informalities.
